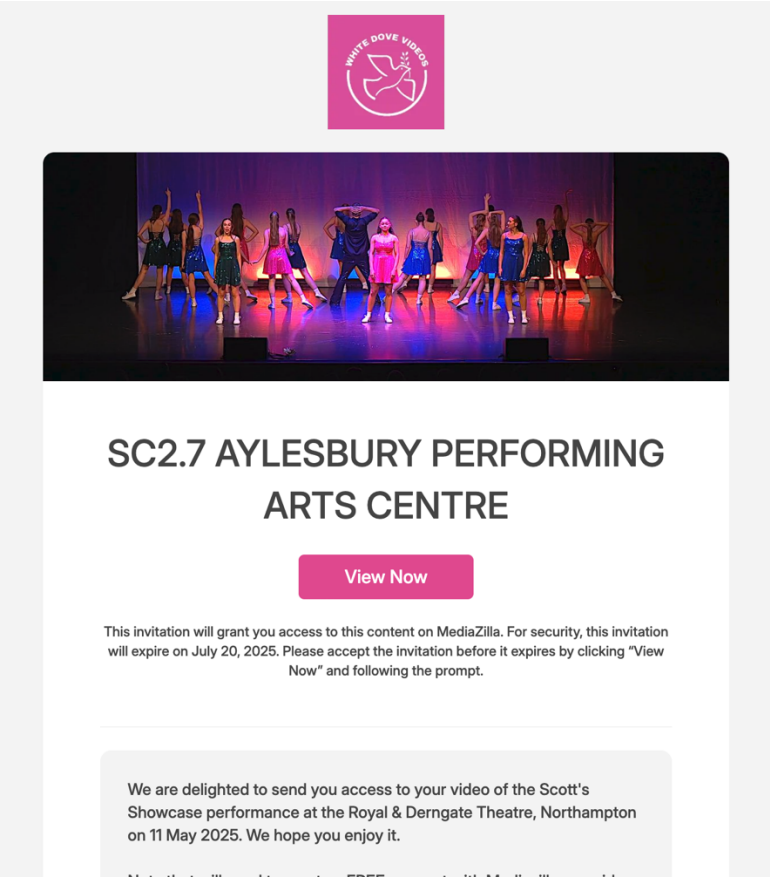
Instructions for viewing your videos hosted digitally on Mediazilla

When your video is completed you will receive an email from White Dove Videos to confirm that the videos are ready for viewing. See the screenshot example below:



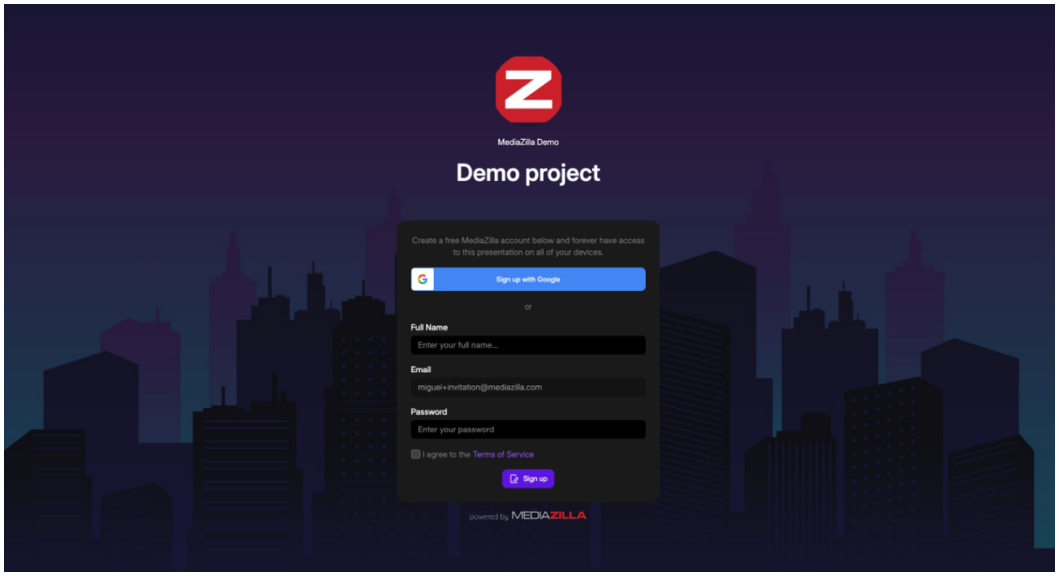
Now, click on 'View Now' button.

- **If you already have an account with Mediazilla,** just select '**Sign In**' and enter your email and password and you'll be transferred to your Video Library, where you will find all your videos.

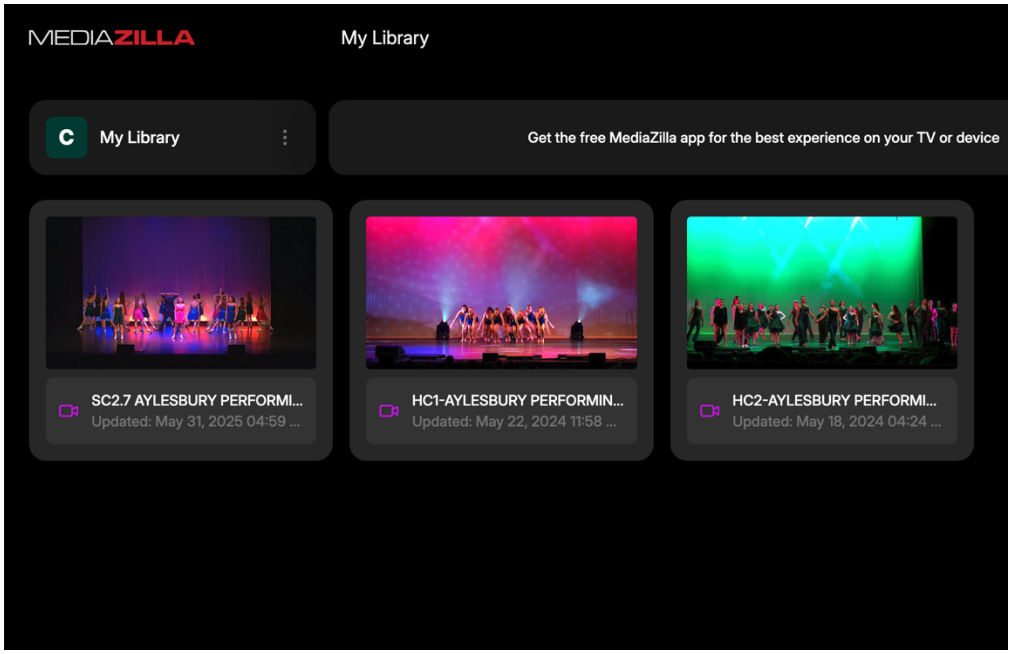
- **If this is the first time you have received a digital delivery video from us, you will need to create a FREE ACCOUNT with Mediazilla, who host the videos.** This will provide you with your own unique Video Library page where all your videos from

us will be stored. You will have lifetime access to your videos, so you can view them whenever you wish.

To create a new account, **enter your name, email and password** and click on the '**Sign Up**' button.



Now just click on the 'Next' button and you will see your own Video Library page which contains your videos. Note that this will have all videos that we make for your Performing Arts school. See below for an example of what your page will look like.



TO VIEW YOUR VIDEO

Now, to view your video, click on the video thumbnail to watch it in full HD on your laptop, tablet or mobile phone. If you have a Smart TV you can download the **Mediazilla app** and then you will be able to watch your videos on your TV in full HD quality. **IMPORTANT: on the player, click on the bottom right icon 'Auto' and change it to '1080p' to show full HD quality.**

TO DOWNLOAD YOUR VIDEO

If you want to DOWNLOAD the video to your laptop click on the 'Download' symbol to the right of the video – see below.
